1       4.       Respondent acknowledges he was issued a probationary license on October 13,  
2       2015, and his license is in current status. Respondent further acknowledges that on  
3       September 10, 2015, he signed a Stipulation for a Probationary License for failing to  
4       disclose required information to the Board in response to his disciplinary and criminal  
5       record history on the Physician's and Surgeon's application, and on October 13, 2015, a  
6       Decision was rendered wherein he was placed on probation for a period of three (3) years  
7       with various standard terms and conditions.

8  
9       5.       The current disciplinary action provides in pertinent part, "Following the  
10       effective date of this Decision, if Respondent ceases practicing due to retirement, health  
11       reasons, or is otherwise unable to satisfy the terms and conditions of probation, Respondent  
12       may request voluntary surrender of Respondent's license." (Condition #12).

13       6.       Upon acceptance of the Agreement by the Board, Respondent understands

15       also agrees to surrender his wallet certificate, wall license and D.E.A. Certificate(s).

16       7.       Respondent fully understands and agrees that if Respondent ever files an  
17       application for relicensure or reinstatement in the State of California, the Board shall treat  
18       it as a Petition for Reinstatement of a revoked license in effect at the time the Petition is  
19       filed. In addition, any Medical Board Investigation Report(s), including all referenced  
20       documents and other exhibits, upon which the Board is predicated, and any such  
21       Investigation Report(s), attachments, and other exhibits, that may be generated subsequent  
22       to the filing of this Agreement for Surrender of License, shall be admissible as direct  
23       evidence, and any time-based defenses, such as laches or any applicable statute of  
24       limitations, shall be waived when the Board determines whether to grant or deny the  
25       Petition.
